

# 40: God is Enough

*His divine power has granted to us all things that pertain to life and godliness,  
through the knowledge of him who called us to his own glory and excellence.  
1 Peter 1:3 (ESV)*

The time is fast approaching for the 40th Annual Midwest Bible Campout and we hope you will be able to join us for another edifying and enjoyable meeting in beautiful southern Missouri!

## Morning classes

The most important reason for coming to the Campout is the morning Bible classes. The lessons will be centered on the theme of the meeting, and there is a class for everyone from age 3 on up. Children ages 3 through 5 should stay with their parents during the second class. Grade school children may swim during the second class.

## Eldership Expectations for Guests

It is our goal for all guests to conduct and attire themselves in a Christ-like manner during the meeting.

Guests under 18 will be accompanied by a parent or be under adult supervision during the meeting. For those attending without a parent, a form must be turned in stating who the responsible adult is. As a reminder, all campers under 18 must camp in the same area as their adult supervision.

## Class Registration

If you plan to attend, please register your children as soon as possible. We need this information so the teachers know how many children to expect and can provide enough class materials for the students. This registration is for class teachers and is separate from the campsite reservations and registration made through Discovery Ministries. Register for classes at [www.princeroadchurchofchrist.org](http://www.princeroadchurchofchrist.org).

## Campground Reservations & Registration

Campground **Reservation** and **Registration** forms are available on the Discovery Ministries Midwest Bible Campout page. Visit <https://www.dmchallenge.org/midwest-bible-campout.html> or find the link on the Prince Road congregation website. The **Campground Reservation** form is used to reserve a site for a camper. The **Registration** form is for all campers and day visitors. Campers that reserve a site are already registered and do not need to fill out the registration form.

Campsite **reservations** are full for 2024 but you can add your name to the waitlist by filling out the reservation form or by calling Discovery Ministries.

The **Registration** form is open now and will remain open through the end of the campout. One member of each group or family unit should fill out the form, which includes information about what type of accommodations you are expecting to be using, number of people in the party, dates of stay, and the liability waiver. All campers and day visitors should fill out the Registration form. Campers that reserve a site are already registered and do not need to fill out the registration form.
